Other Notes:

Tuition for all students will be the same and will not differ by the location of the courses delivered.

No non-resident rates during summer, all courses charged at resident rates.

Book Fee will be effective Fall 2022 and includes an opt-out option.

Different tuition rates may be offered at the discretion of the President.

These rates are effective Summer 2022

As of Fall 2022, the plateau of 15-18 credit hours will no longer exist.

Tuition, student fees, and the book fee will be charged per credit hour with a cap of 18 credit hours.
